CASSIE RIGLER

Adjudicator

With a decade of experience, Cassie has found her true calling as a mentor and educator in the dance industry. Her passion for nurturing the love of dance spans a diverse range of students, from 16 months to 40 years old, igniting her desire to share this art form even further.

As a dancer and performer, Cassie has trained at advanced levels across various disciplines, including ballet, pointe, tap, jazz, lyrical, acro, modern, and contemporary dance. Her dedication to her craft has taken her across North America, where she has participated in prestigious events such as the Tremaine Dance Convention in New York and an intensive training program with Peter Sklar in voice, drama, and dance. She also attended the Toronto Dance Teacher Expo and had the honor of performing with the adult stage division of Team Canada at a competition in Riesa, Germany, in 2017.

In her role as a choreographer, Cassie has consistently received multiple awards for her innovative work over the past decade. Her choreography has been showcased at Honours Festivals in British Columbia and performed internationally in California.

Recently, Cassie has embraced the position of Artistic Director and Operator at her local dance studio in Kamloops. She holds several certifications, including Acrobatic Art Module 1, YPAD, Progressive Ballet Technique, Discover Dance, and Alixa Flexibility, as well as being a certified adjudicator through the Dance Leadership Institute. In 2023, she was honoured with the Shine Mentor Award at the Vernon event. Committed to continuous growth, Cassie actively pursues professional development through events such as 24/seven, the Shine Convention, and Triple Threat.

Her mission is clear: to foster and empower not only exceptional dancers but also outstanding individuals.

KATHERINE BURROWES

Adjudicator

Katherine is multidisciplinary dance artist residing in the Calgary (Moh-kins-tsis) community, and has been a well-known performer, instructor and choreographer in the Alberta arts community for the past two decades. She has trained across the world in locations like Vancouver, Toronto, New York, Los Angeles, London UK, Florence Italy and Tokyo, Japan. She has trained in many genres of dance such as Jazz, Lyrical, Contemporary, Ballet, Tap, Musical Theatre, West African, Swing, and Latin but has focussed the past decade on training in Street Dance styles such as Hip-Hop, Funk Styles, Animation, R&B, House, Dancehall, Afro-styles, Vogue, and Waacking.

Katherine began her performance training studying Musical Theatre with the Youth Singers of Calgary in 1995, and soon after began studio dance training with Absolute Dance Inc. simultaneously. She followed her passion for dance to the University of Calgary Dance Program, where she received a Bachelor of Arts in Contemporary Dance, graduating with Distinction. While at U of C Katherine began training in Vogue and Waacking styles with the collective House of Dangerkat, and later also began studying with the Decidedly Jazz Danceworks Professional Training Program focussing on Classic Jazz, Tap, Lindy Hop, Afro Cuban and West African dance vocabulary.

Meanwhile Katherine began performing professionally for corporate events and commercial projects such as Groove Academy, The Calgary Spurs, House of Dangerkat, Shine Ensemble, Elektra Dance Company, Decidedly Jazz Danceworks and various entertainment agencies. She has also had the privilege of performing on numerous international tours including touring China with the production Dragonfly Cafe in 2014.

While at DJD, Katherine reconnected with colleagues Edgar Reyes, Cody Jaxon and Joey Braunwarth over a shared love of Hip-Hop and Street dance, which lead them to co-found the successful Street Dance company illFX Entertainment Inc. Years later the trio of Katherine, Edgar and Cody expanded to create a sister company called illFX Education, which is a Street Dance training program for youth and young adults. This company also founded the MOVE Bursary Program which stands for Movement Opportunities Vital for Expression - and raises money to provide dancers in need with the necessary funding to pursue their passion for dance. In 2024 they debuted a completely free dance program in collaboration with the East Side Dance Festival.

Katherine is currently Co-Artistic Director of illFX Education and Entertainment Inc. as well as Co-Director and Producer for Spectra Entertainment Inc. She continues to teach and choreograph for numerous dance studios, schools and performing groups across Alberta. Katherine strives for knowledge and excellence in dance, and firmly believes in the arts as a crucial avenue for self-expression and the personal development of young people and our society as a whole.

SHAUNA JURCZAK

Adjudicator

Shauna Jurczak is a positive and enthusiastic dance educator, committed to building communities and transforming lives through the art of dance. She believes in nurturing healthy, strong, and empowered dancers, and it is her goal to help instill a lifelong love of dance in all dancers she works with.

As an adjudicator, Shauna is certified with The Dance Leadership Institute, and is committed to helping dancers grow as movers, creators, and confident human beings. As a performer, she was first exposed to dance at age 10, while pursuing her elite gymnastics career. Upon retiring from a successful gymnastics career at age 18, she found renewed passion for dance, dancing with the University of Winnipeg Dance Team for four seasons, before turning pro to dance and choreograph in the Canadian Football League as a cheerleader with the Blue Bombers Blue Lightning Dance Team.

Her diverse training in Ballet, Jazz, Lyrical, Hip Hop, and Acro, led her to perform for five seasons with the CFL, as well as exciting performances at multiple NBA 3 on 3 events, and opportunities to perform with artists like Nelly Furtado and the Black Eyed Peas. Shauna holds a degree in kinesiology, diploma in communications, and is the creator of Teaching with Excellence and the Safe Steps Initiative training programs for dance educators, designed to help grow their teaching methods in a holistic and dancer-centric manner.

Inspired by her 25+ years of experience teaching movement, including gymnastics, dance, and yoga, Shauna was inspired to write the book "Starting in First", a book about dance, passion, and life. Hitting bookshelves in 2026, she hopes dancers, dance educators, and dance parents alike, will be inspired to read it and embrace the impact and value of all the work they put into their journey through dance.

Shauna owns Maples Academy of Dance in Winnipeg with her sister and has been proudly sharing her passion for the arts with her students there for the last 16 years. As a dance studio owner, teacher, choreographer, and adjudicator, Shauna has dedicated her career to connecting with dancers of all ages, helping them expand their creativity, build confidence, explore their talent, and become strong members of their communities.

THE KINDNESS AWARD

One of the main goals in holding Abstract Dance Challenge events is to cultivate kindness within our dance community. Although this event serves as a competition, one of our top priorities is to ensure that our dancers remain kind, respectful, and supportive of one another.

We believe that these values are instilled in the dancers through the role models they admire the most, and these happen to be their studio owners and their teachers.

Organizing a dance competition requires significant effort. While we aim for excellence in all our events, we recognize that mistakes do occur, and things may not always go according to plan. We value the relationships we build with our studios and are dedicated to treating everyone with the kindness and respect they deserve. We are particularly grateful when we receive the same in return; we take pride in setting an example for the dancers who look up to us.

This award is dedicated to a studio owner or teacher who embodies all the qualities we cherish: a kind heart, endless patience, a positive attitude, and respect for all.

THE ORSON & LYNDIE HOLLINGER

Memorial Scholarship

In December 2020, we lost our son, Orson, and in October 2025, we lost our daughter, Lyndie. Both were born too early to survive. Having been a part of the Calgary dance world for over 25 years, I saw firsthand what 'community' truly means during these experiences: it's the way so many of you rallied around my family during those extremely hard times.

To honor that incredible support, Erin and I established a memorial scholarship through Abstract Movement Festivals. This year, we are proud to evolve this legacy into **the Orson & Lyndie Hollinger Memorial Scholarship**.

This cash award recognizes a dancer who radiates a pure, undeniable love for the art form. Beyond their talent on stage, we choose a recipient who has stood out throughout the event for their kindness, integrity, maturity, and leadership. We hope this award enriches your journey and fuels your passion. To our recipients: thank you for helping us honour my babies in such a meaningful way just by being you!
