# THE KINDNESS AWARD

One of the main goals in holding Abstract Dance Challenge events is to cultivate kindness within our dance community. Although this event serves as a competition, one of our top priorities is to ensure that our dancers remain kind, respectful, and supportive of one another.

We believe that these values are instilled in the dancers through the role models they admire the most, and these happen to be their studio owners and their teachers.

Organizing a dance competition requires significant effort. While we aim for excellence in all our events, we recognize that mistakes do occur, and things may not always go according to plan. We value the relationships we build with our studios and are dedicated to treating everyone with the kindness and respect they deserve. We are particularly grateful when we receive the same in return; we take pride in setting an example for the dancers who look up to us.

This award is dedicated to a studio owner or teacher who embodies all the qualities we cherish: a kind heart, endless patience, a positive attitude, and respect for all.

# THE ORSON & LYNDIE HOLLINGER

## Memorial Scholarship

In December 2020, we lost our son, Orson, and in October 2025, we lost our daughter, Lyndie. Both were born too early to survive. Having been a part of the Calgary dance world for over 25 years, I saw firsthand what 'community' truly means during these experiences: it's the way so many of you rallied around my family during those extremely hard times.

To honor that incredible support, Erin and I established a memorial scholarship through Abstract Movement Festivals. This year, we are proud to evolve this legacy into **the Orson & Lyndie Hollinger Memorial Scholarship**.

This cash award recognizes a dancer who radiates a pure, undeniable love for the art form. Beyond their talent on stage, we choose a recipient who has stood out throughout the event for their kindness, integrity, maturity, and leadership. We hope this award enriches your journey and fuels your passion. To our recipients: thank you for helping us honour my babies in such a meaningful way just by being you!

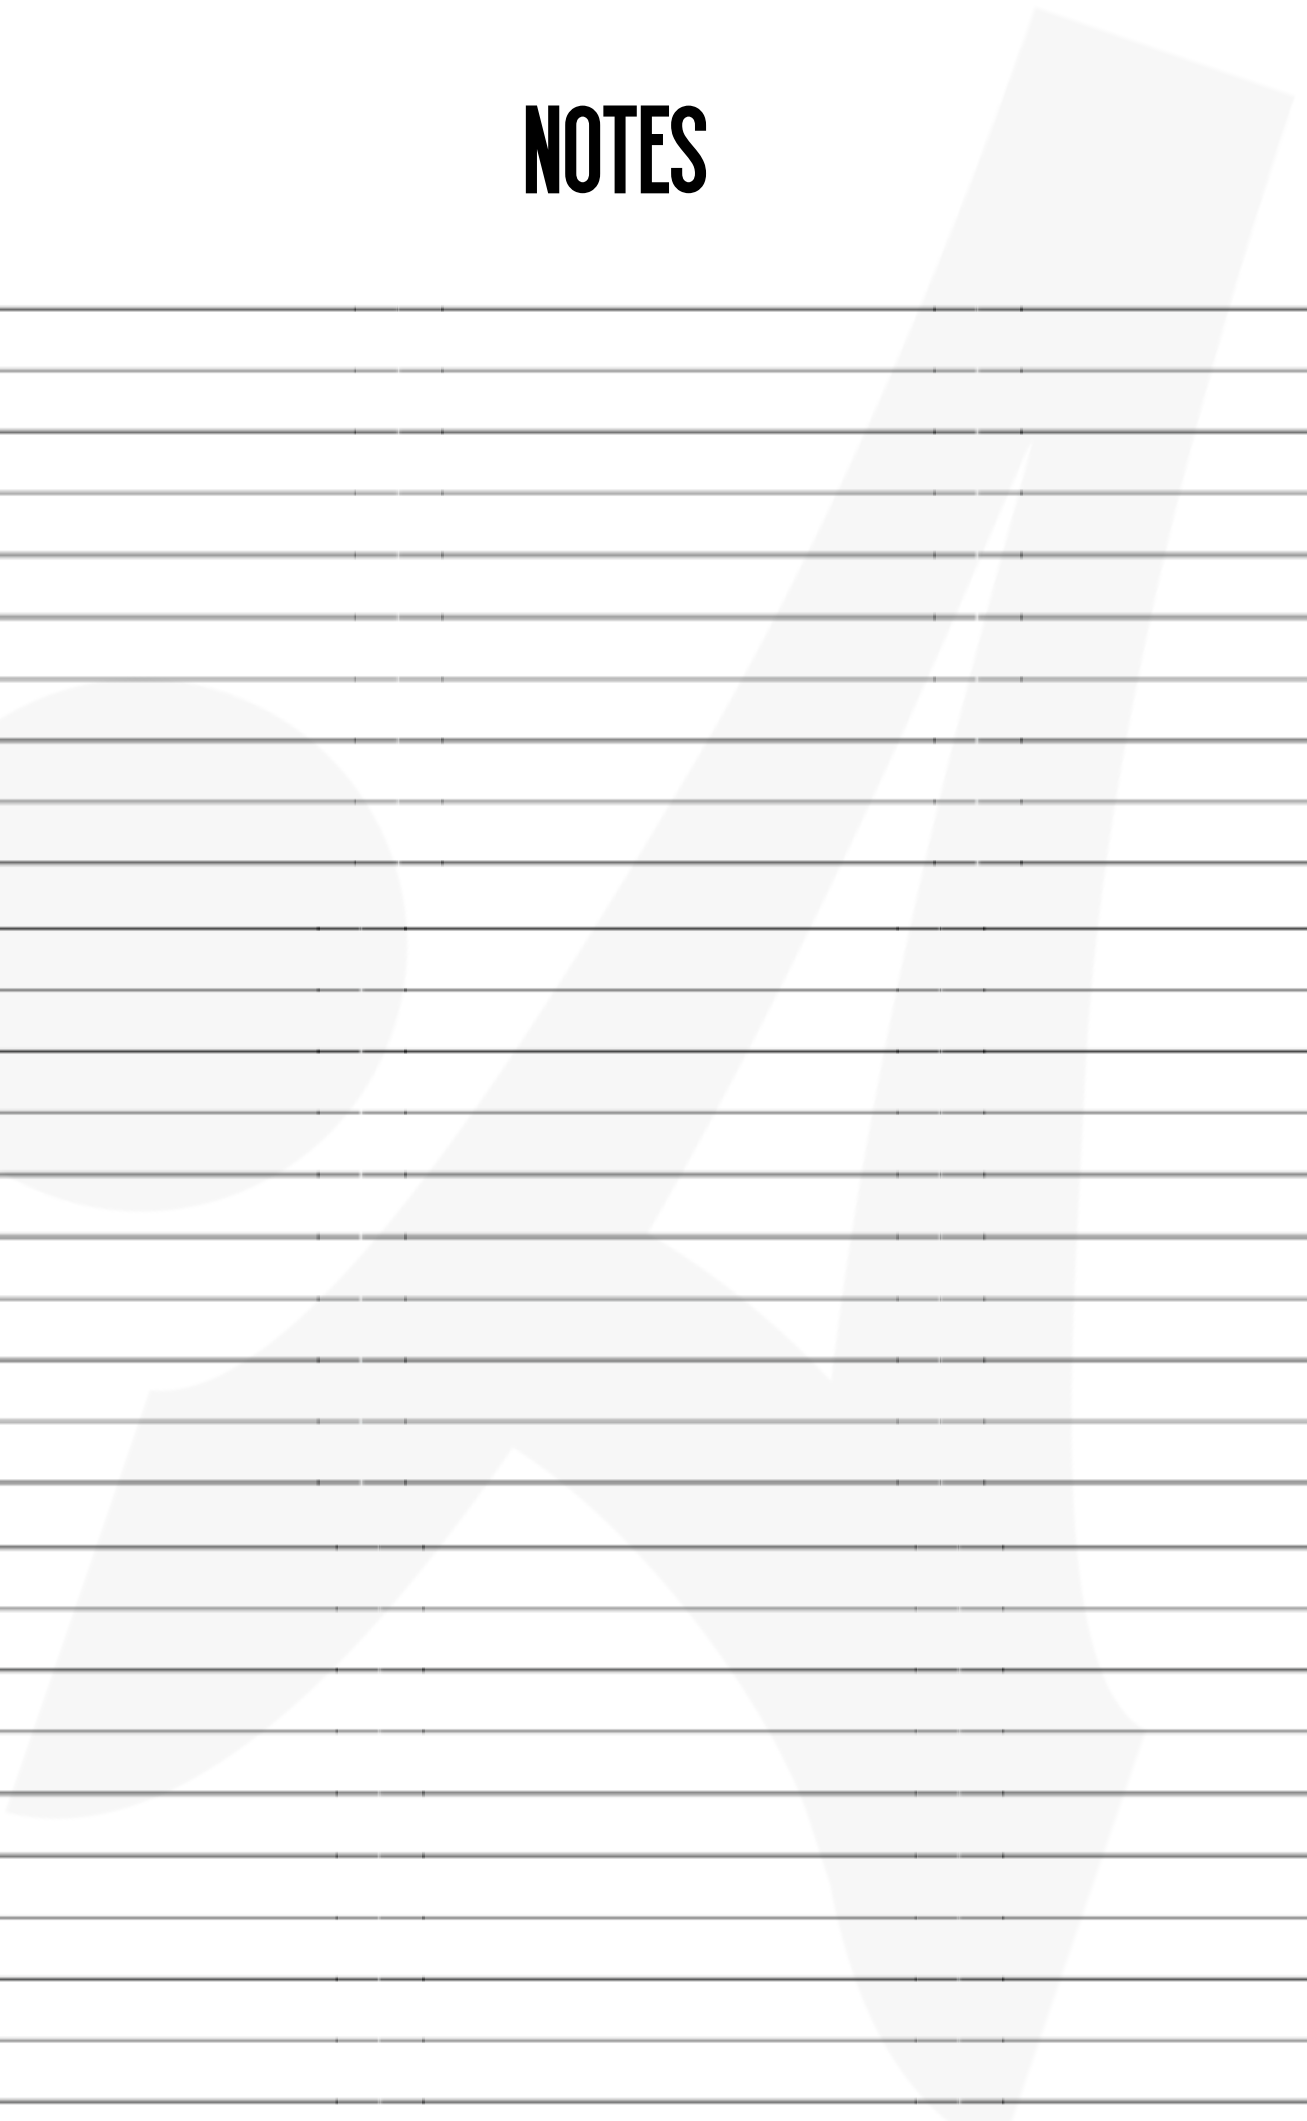

- Mackenzie Hollinger  
Co-Owner & Artistic Director
